Be the LIGHT!

LIGHT OUR CITY

Be The light!

...is a collective, non-denominational, citywide outreach initiative, scheduled from June to September 2016. All local biblically based, evangelical Christian churches are invited to participate. Pastor Jerry Laudermilk, Lead Pastor at Abundant Life Tabernacle, organizes this annual event locally, yet this is NOT about one pastor, or any one church.

Instead, **Light Our City** is about:

- 1) 'Impacting our city' in a positive way and thus bringing hope to it's residents,
- 2) 'Uniting the Body of Christ', so that the world around us might see the love of Christ in us, and
- 3) 'Building the Kingdom of God' by doing what we were told by Jesus to do, and making all aware that God's Kingdom is near.

WHAT DOES LIGHT OUR CITY LOOK LIKE?

Picture the Body of Christ unified; Christians from many different fellowships crossing racial, generational, and denominational lines, leaving the comfort of our church sanctuaries, coming together, and heading into the streets to 'serve and shine', all for Jesus Christ and His Kingdom.

*Serve
and shine!*

For the Last 2 years approximately 50 churches from diverse denominational backgrounds have partnered together, serving our Lord and our community. As a result we are examples of Christ, showing unity and the love of God; bringing glory to our King and starting a healing process! That's what "Light our City" looks like!

Light Our City is a non-denominational outreach of biblically based, like-minded, evangelical churches/ministries with the intent of impacting our city in a positive way for Christ.

LET YOUR LIGHT SHINE

In **Matt. 5:16**, Jesus tells His church,
"Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven."

This is our mandate for the Mansfield Area, and the world!

Beginning in June, hundreds of Christians are expected to unify and take to the streets to do what is sometimes referred to as 'random acts of kindness'. It is our pleasure to serve our community, thereby shining the light of Jesus Christ on our city.
